

# 18th HR Expo Conference & Exhibition Contribution

January 2024

# 18th HR Expo Conference & Exhibition Contribution

In December 2023, we actively participated in the **18th HR Expo Conference & Exhibition organized by Intipesan**. Our team presented our proficiency in three strategic areas: Robotic Process Automation (RPA), Secondment, and Payroll Services.

## Robotic Process Automation (RPA)

We illustrated the transformative impact of RPA technology on HR processes, elucidating how it streamlines tasks, minimizes errors, and heightens overall efficiency. Specific use cases were emphasized, including automating onboarding procedures and data entry tasks.

## Secondment

Our presentation delved into the advantages of secondment, highlighting its role in fostering skill development, promoting cross-functional collaboration, and broadening employee perspectives. We showcased successful secondment case studies, illustrating their contributions to organizational synergy.

## Payroll

Our expertise in managing payroll services was highlighted, emphasizing our commitment to accuracy, compliance, data security, and reliability. We provided valuable insights into various payroll service models, clarifying their advantages.

### Keypoints

In summary, our active involvement in the event effectively demonstrated our capabilities in leveraging cutting-edge technology through RPA, fostering professional growth via secondment opportunities, and delivering robust and reliable payroll services.

Grant Thornton
